

# Laidback cafe

It's a global cafe. It's a laid back lounge. And it's many degrees of chill in between.

Shalom and Laidbackwaters have been the definitive standard in Med lounging in the city for over seventeen years now. The leitmotif was Peace, and Shalom constantly explored newer ground to bring this promise alive in everything - be it music, interiors or its inventive gastronomy. But with mezze platters and shish taouks now as common as butter chicken, and foodies displaying an ever-expanding appetite to mash up different cuisines all in one place, we thought the time's just right for the next step in Shalom's evolution.

Presenting Laidback Cafe - It's where a world of casual culinary treats collide with an easy laidback feeling, that's unmistakably from Shalom. It's a cafe. It's a lounge. And it's many degrees of chill in between. From Med, Thai, Chinese and Grills to Pastas and cafe classics like sandwiches and burgers, it serves up what's probably the best mix of laid-back-easy-peasy dining options in the city. And trust us to know the sweet spot when it comes to getting the decor, mood and music just right to set you cruising.
